

TEACHER TRAINING IN OTTAWA, CANADA!

TRAINING PROGRAMS FOR INTERNATIONAL TEACHERS OF ENGLISH AND ENGLISH IMMERSION PROGRAMS

The Ottawa-Carleton District School Board and the Ottawa-Carleton Education Network offer numerous opportunities for teacher skill development through a variety of training programs. The department of International Projects and Exchanges operates a training centre that has successfully worked with over a thousand teachers worldwide.

About Our Program

Teachers attend training sessions that are participatory and interactive. Workshops and presentations that are relevant to the field of content and language teaching and learning are led by specialists with emphasis placed on practical applications of best practices. Sessions include training, materials development, visits to relevant educational and cultural sites, assessment and evaluation, course planning, principles of language learning, social activities.

Teaching English Immersion – Methodology and Language Development for CLIL Programs

July 9 to 27, 2018

Every summer we offer a three week program for **elementary** and **secondary** teachers of **CLIL** (Content & Language Integrated Learning) and TESOL in **July 2018**. This program is a balance of **English language skill improvement** as well as the development of **teaching strategies for immersion classrooms**. Included:

- Tuition, presentations generic to all immersion educators, social events with teachers of specific content areas as well as language specialists, medical insurance
- Homestay program with meals, bus pass, evening activities, airport pick up and drop off
- Training centre located in downtown Ottawa

\$2,400 CAD/person; group rates available

Price is valid **until May 7, 2018**
