Ottawa has many parklands and nature trails to enjoy biking, rollerblading, hiking, swimming, canoeing, rock climbing and more. Ottawa is also home to many art and music festivals during the summer. Students can be assured of quality English instruction, a safe environment and enriching activities.

Our English classes follow the levels of the Common Framework, led by qualified, dynamic teachers. Activities in the afternoon expand on language from the classroom instruction and engage students in various ways. Homestay families provide a secure home for students to further develop skills.
